## Who we are

At Nedia Home, we manufacture and distribute home textiles with a commitment to quality and innovation. Specializing in a diverse range of products crafted from both natural and synthetic materials, we prioritize sustainable processes that minimize environmental impact. Our mission is to enhance living spaces with stylish, functional, and durable products that reflect our dedication to craftsmanship, sustainability and a greener future.

## Core Competencies

- Understanding customer needs and delivering innovative, stylish, and customized products.
- Creating exceptional, sustainable home textiles from natural fibers with emphasis on waste reduction and streamlined packaging to embody an eco-conscious philosophy.
- Efficient distribution centers and logistics team ensuring timely delivery of large orders.
- High-quality products at competitive prices.

## Past Performances

- Nedia Home products are sold in over 35,000 retail outlets, including major national chains, big-box stores and specialty retailers as well as on several e-commerce platforms.
- Four domestic warehouses with large stock to support replenishment programs for major national retailers.
- Over 25 years of experience in drop-shipping custom printed floor mats for large-volume retail customers.

## Differentiators

- Three decades of experience serving a diverse range of customers, from the value sector to high-end specialty retailers.
- Strategically located distribution centers covering 200,000 sq ft, supporting over 35,000 retail stores across the US.
- Three production facilities in India and strategic partnerships with factories in China, Egypt, Turkey, Sri Lanka, Thailand and Vietnam.
- Monthly capacity of 100 x 40' containers of products.

## Company Data

- Established: 1995
- DUNS #: 019516975
- NAICS codes: 313110, 313310, 326299, 313210, 314110
- CAGE Code: 4DSD9
